

## BOY SCOUT HANDBOOK & BOY SCOUT REQUIREMENTS BOOK

Before investing in a Uniform, buy a Boy Scout Handbook. Buying the Scout Book first will let the Scout see what Scouting is all about. Each Scout must have the Boy Scout Handbook and Boy Scout Requirements Book at every meeting and outing. Many boys have read through the entire book after purchasing it. It is a very interesting read.

Both books can be purchased at the Cabarrus County Scout Shop, Scout Catalog, or Scout website. The Boy Scout Handbook is \$8.00 for the paperback version. The Boy Scout Requirements Book is \$4.00.

## CLASS A UNIFORM

Every Scout is required to have a complete class A uniform. We recommend the Scout come to at least 3 meetings before buying a Scout Uniform This uniform consists of a Short (or Long) Sleeve Scout Shirt, Scout Pants (or shorts, or HIGHLY RECOMMENDED NEW SCOUT PANTS/SHORTS SWITCHBACK PANTS), Scout Socks, Scout Web Belt (only if Scout did not purchase "Switchback" pants that come with a belt), merit badge sash, red shoulder loops (buy with uniform), council patch (Central NC Council – buy with uniform), Unit Numerals (128 provided by the troop), World Crest patch (buy with uniform), and Patrol patch (provided by the troop). Troop 128 does not wear a neckerchief or bolo tie as part of our standard troop uniform. Scouts are encouraged to wear them if they want. Scout hats are also not required, but Scouts may wear them as part of their uniform.

The class A uniform is required for all meetings and outings (unless specified otherwise). Board of Reviews and Court of Honors are very special events. At these events Scouts, need to wear every part of their uniform including any special awards they may have earned (merit badge sashes, religious awards, service stars) Failure to wear the class A uniform may result in NOT being able to participate in certain events.

Uniform can be purchased from the Cabarrus County Scout Shop at Cloverleaf Plaza in Kannapolis (near CiCi's Pizza and behind Home Depot) It may also be purchased from other Scout Shops, Scouting Catalog, or from the Scout Stuff website ([www.scoutstuff.org](http://www.scoutstuff.org)). The prices will not be any cheaper at other locations. The troop has used uniforms that can be checked out of the Scout closet for the Scout until he grows out of it.

## CLASS B UNIFORM

Troop 128 has a Class B uniform that is to be worn during outings, or possibly at meetings when the troop decides to wear them. The Class B uniform consists of a Red Troop T-shirt, Scout Shorts (or pants), Scout Socks, Scout Belt (if not wearing "Switchback" pants that come with belt), and sturdy hiking shoes. Tennis shoes are not considered part of the Class B uniform. When joining Troop 128 you will receive 2 t-shirts, and will receive one new t-shirt each year as needed at no expense. The dues you pay cover this expense. The pants, socks, belt, and shoes are the same as worn with the Class A uniform. Always bring you Class B on outings.

TROOP 128 T-SHIRT
